A Proud Moment: E3Empower Africa lights up the Nasdaq Tower in New York, showcasing our mission to empower communities through technology and education

Reader's Note

Dear Readers,
As the year draws to a close, we are thrilled to share some of the incredible milestones achieved in December.

In this edition, we highlight the Future of Tanzania initiative, which is equipping Form 4 students with essential skills for the digital age. We also reflect on a memorable team-building retreat at Magoroto Resort, where our team reconnected and recharged to prepare for the challenges and opportunities ahead.

Finally, we share a proud moment of global recognition as E3Empower Africa was featured on the Nasdaq Tower in New York, showcasing the impact of our collective efforts on an international stage.

Thank you for being part of our journey, whether through your support, partnership, or encouragement.

Warmest wishes for the holiday season and a prosperous New Year!

Sincerely,

CEO - JI-YOUNG RHEE

Future of Tanzania

Team Building Trip

International recognition by Nasdaq

Form 4 students diving into Python programming and digital skills during the 'Future of Tanzania' training session."

Future of Tanzania: Empowering Form 4 Students

In December, the "Future of Tanzania" initiative continued to pave the way for a brighter future by offering free training to Form 4 students in:

- Python Programming: Introducing the fundamentals of coding to spark creativity and innovation.
- Computer Basics: Building essential digital literacy skills.
- JA SEP (Junior Africa Social Equity Program): Nurturing leadership and social equity among youth.

This program has received enthusiastic participation, with students showing remarkable progress in their learning journey. We remain committed to providing these opportunities and equipping our youth with the tools they need to excel in a digital world.

Team Bonding at Magorodo Resort

Our team came together for a rejuvenating three-day off-site trip to Magorodo Resort. This retreat provided an excellent opportunity to unwind, connect, and strengthen our bonds outside of the office environment.

From team-building exercises to moments of relaxation amidst nature, the trip was a refreshing way to reflect on our achievements and set goals for the upcoming year. It reinforced the importance of collaboration and camaraderie as we move forward together.

"Strengthening bonds and embracing teamwork amidst the serene beauty of Magorodo! 🌿💛 #TeamBuilding #E3Empower"

E3Empower Africa Featured on the Nasdaq Tower

A proud moment for us all! E3Empower Africa was recently featured on the Nasdaq Tower in New York by Automation Anywhere. This recognition highlights our commitment to driving impactful change through technology and education in Africa.

The display on such a prominent global platform underscores the value of our work and inspires us to continue making a difference. We are grateful to Automation Anywhere for amplifying our story and mission to a worldwide audience.

Looking Ahead

As the year ends, we are filled with gratitude for the support and dedication of our team, partners, and community. 2025 promises to bring even more opportunities to create lasting impact. Together, we will continue building a brighter future.
